# Back to basics!

*Putting the child first!*

*(1-1½ hours)*

This new thought-provoking address, created in response to the need to return to the fundamentals of working with children, has the potential to change your practice dramatically for the good of the child.

Designed for both experienced and newly-trained practitioners, across all key stages, this is an opportunity not to be missed.

*“This takes us back to why we went into education in the first place.”*

Headteacher, Cardiff

*“You will never play in the same way again after listening to this speech.”*

Teacher, Somerset

# Putting play in its proper place!

*(1-1½ hours)*

An uplifting yet 'hard-hitting' address which examines the contribution rich play experiences make to a child's complete development. It offers practical advice, raises and tackles relevant and current issues and provokes a desire to review current practice.
